REDACTED ADMINISTRATIVE RECORD

Pursuant to the Court's order dated June 27, 2017, defendants, the United States Food and Drug Administration, *et al.*, respectfully submit the attached redacted administrative record.

Consistent with the terms of the Court's May 22, 2017 scheduling order, the record has been redacted for all information that plaintiff, Texas Department of Criminal Justice (Texas), has identified as confidential. In addition, we have also redacted information that the drug's supplier and broker have separately advised the agency they consider confidential and private, as well as information the agency itself generally treats as confidential. This information has been redacted pending final agency review of confidentiality claims, and our filing of the record with these redactions does not necessarily reflect our agreement with all of the claims of confidentiality that we have received. We explicitly reserve the right to make an independent determination regarding

the proper scope of redactions at a later time. Should we identify any of Texas's redactions that are over-broad or otherwise improper, we will work with Texas's counsel to revise the redactions in the record.

Respectfully submitted,
